JORDAN - FARRINGTON

In a most impressive marriage ceremony held at the Bryant Pond Baptist Church on Oct. 16th, Miss Leora Pearl Farrington, daughter of Mr. and Mrs. Arthur Farrington, was united in marriage to Arnold Eugene Jordan of Locke Mills, son of Mr. and Mrs. Orlando E. Jordan.

The double ring ceremony was performed by Rev. Joseph Bradley. Soloist was Mrs. Richard Melville from Locke Mills who sang "Because" and "I Love You Truly." Organist was Miss Susan Hathaway.

Given in marriage by her father, the bride wore a ballerina length gown of chantilly lace and nylon tulle with finger-tail veil of imported illusion from Holland. Her hair was trimmed with seeded beads and iridescent sequins to match the gown. She carried a bouquet of white and pink tea roses on a white ribbon. Best man was Reynold Jordan from Waterford, brother of the bridegroom, and the matron of honor was Mrs. Dean Bennett from Portland, sister of the bride, who was gowned in Persian rose taffeta and carried a colonial bouquet.

A reception was held immediately following the ceremony at the Franklin Grange Hall. Ushers were Richard Jordan and Phillip Farrington.

Serving were: Mrs. Richard Jordan, Mrs. Raymond Buck, Mrs. Elvin Brown Jr., Mrs. Volney Lakesway, Mrs. George Flanders, Miss Kaye Ring, and Mrs. Everett Cross.

Gift room was in charge of Mrs. Roger Strout, Mrs. Hugh Swan and Miss Eva Harlow. Miss Martha Brown had charge of the guest book.

The couple left on a trip to Niagara Falls with the bride travelling in a navy blue wool suit with white accessories. Upon their return they will reside in Locke Mills.

Mrs. Jordan is a graduate of Woodstock High School in Bryant Pond and has been employed by the B. E. Cole Company in Norway. Mr. Jordan is a graduate of Gould Academy, Bethel, and served two years in the U. S. Army. He is employed by Ekco Tebbets Co. in Locke Mills.

Reporter Dennis Jackson

Somewhere today an eight-year-old will cross a busy street.

An eight-year-old with long, long thoughts, but very careless feet.

Sure, he's been told, without a doubt, a hundred times, the rule:

To look both ways, to cross with care, when coming home from school.

But, after all, he's only eight—his mind's on soda pop!

Let's watch for him; let's think for him; let's be prepared to stop!

WELCOME, NEW VOTERS

The Democratic Town Committee welcomes all new voters in Bethel, regardless of party affiliation. Since some of you will be voting for the first time, it might be of interest to review our voting laws and procedures.

Who may vote? Anyone who is a citizen of the United States and of our State of Maine who is 21 years old, who can read and write, and who has not received aid from the town poor account within the last 90 days prior to the election. (There are some exceptions pertaining to people under legal guardianship, etc. Take up such cases with the selectmen as they have the authority to decide what names are placed on the voting list.) You must have been a resident of Maine for six months and of the town in which you plan to vote for three months. You must be registered. To accomplish this simply fill out a card, sign it and see that it is returned to the selectmen.

Now you are properly registered, your name is on the voting list, you have thoroughly studied the qualifications of the candidates and issues and arrive at the polls between 10:00 A. M. and 7:00 P. M. on election day. Bethel's four election clerks are Mary Paine, Arthur Herrick, Edith Rowe and Celia Gorman, any of whom will be glad to answer any questions you wish to ask. Here are a few reminders about marking your ballot.

Be sure to put the X's in the boxes provided and not out on the margin of the paper.

If you wish to vote for someone, whose name is not printed on the ballot, cross out the name of the person listed under the office he is running for, write in the name of the person of your choice and put an X in the box opposite.

If you put an X in the box at the top of the ballot, it means that you are voting for all the candidates of that party, you may put X's opposite their names also but it is not necessary.

If you wish to vote for some of the candidates in each party, omit the cross at the top of the ballot and put the X's opposite the name of each candidate of your choice.

Sometimes your ballot may be "defective." For example, you have put an X in the box at the top of the ballot which means that you are voting for all the candidates of that party. Then as you read down the list, you notice a candidate from the opposing party for whom you wish to vote so you put an X opposite his name. This means that you have voted for two people for the same office, the ballot counters do not know which one is your choice so vote does not count at all for that particular office. Sometimes the ballot reads, "Vote for one" and you put in two X's. This too would be a "defective" ballot.

A "spoiled" ballot is thrown out and your vote does not count in any way. The most common examples of this are erasing or writing anything on the ballot other than the proper X's in the boxes or the names of write-in candidates. Do not sign your name. Anytime you think you may have spoiled your ballot, simply take it back to one of the election clerks who will mark it "Cancelled" and give you another one. You are entitled to three, one at a time of course.

Maybe some of you are not sure just which party you wish to be enrolled in; you may register as an Independent, and you may change your party enrollment at any time by filling

Afterward he appeared unto the eleven as they sat at meat, and upbraided them with their unbelief and hardness of heart, because they believed not them which had seen him after he has risen."

SCHOOL NEWS

A number of seventh and eighth grade teachers from Union 22 attended a State Dept. of Education sponsored work conference at Rumford Junior High School Tuesday afternoon and evening, Oct. 18. Prior to the meeting each teacher received an outline of a proposed program of instruction in the areas of science and mathematics. These were used as guidelines for the discussion periods which followed. The Dept. of Education plans to use the teacher suggestions received during the conference to make a final revision of a curriculum guide.

During the past week, sophomores, juniors, and seniors at Gould Academy have held elections for their class officers. As yet, the freshmen have not balloted. The results for the three upper classes are as follows:

Seniors: President, Fred Lincoln (fourth consecutive year); Vice-President, Jane Ashcraft; Secretary, Sandra Allen; Treasurer, Yvon Favrean.

Juniors: President, Steve Saunders; Vice-President, David Ayers; Secretary, Evelyn Sprague; Treasurer, Scott Cummings.

Sophomores: President, Walter Grover; Vice-President, Dale Lapham; Secretary, Suzanne Kneeland; Treasurer, Melanie Bernier.

Gould Travels to Norway
Another tough Western Maine clash is in store for Gould Academy as they travel to Norway on Saturday. In conference play the Huskies have won only from a weak Bridgton team and have fallen to Mexico and South Paris. The team has been improving, but the speedy Norway backs could give them plenty of trouble. On the strength of Norway's 13-0 win over Old Orchard last Saturday, they are favored to win. It should be a good game.

Gould 47-St. Ignatius 0
Gould Academy made its record 2-2 here last Saturday by trouncing St. Ignatius High of Sanford 47-0. The Huskies continued their fine defensive work by allowing the visitors only two first downs, both coming late in the last period on successful passes. The offense showed considerable improvement also with Cummings, Parent, Foster and Rice taking turns at showing the way.

In the first period, Don Rice carried the opening kick-off 34 yards to the 41 yard line. Gould marched the remaining 59 yards, racking up three first downs, with Alex Foster scoring from five yards out. Owen Melville place-kicked the extra point.

The Huskies scored twice in the second period. The drive was started after Scott Cummings made a punt return to his 49 yard line. In eight plays Gould covered the 51 yards with Foster again scoring, this time on a three yard drive. Melville place kicked. St. Ignatius got a bad break soon after as their center snapped the ball over the kickers head with the ball rolling back to the 10 yard line. Gould took over and on the fourth down, Steve Parent plunged over from the two yard line. Melville place kicked. The score at half time was 21-0.

Early in the third period St. Ignatius was held for downs on the 46 yard line. With some five yard dashes by Rice and Parent the ball was soon on the one yard line from where Don Rice scored.

Later in the same period Cummings connected with Rice for 21 yards and on another play, Cummings raced 24 yards to set up the next T. D. Dick Moody raced around the end for 11 yards to score. The score at the end of the third period was 33-0.

In the final period an incomplete Spartan pass on the 4th down, gave G. A. the ball on the Spartans' 44 yard line. In six plays the Huskies marched to the 20 yard line. On the seventh play Cummings passed to Parent for a 20 yard T. D. play. Cummings passed to Jim Bartlett for the extra point. The final T. D. came after Gary Hill intercepted a Spartan pass at midfield and carried to the 42. Gould scored in six plays with Parent reaching pay-dirt from 1 yard out. Melville place-kicked.
